The Arthotel ANA Gallery in Baldham has good reason his name. As a small but beautiful design budget hotel with a courtyard character, centrally located in the town of Vaterstetten, here the art is in charge. Tasteful prints on the walls, noble colors in the interior - all this falls to the guest upon entering the house, and of course in each of the 48 bright, partially air-conditioned rooms that are like the entire hotel features free Wi-Fi. And that the Arthotel ANA Gallery is located a stone's throw from the rail stop, know not only visitors to appreciate, but also leisure travelers and long term guests who enjoy the cozy comfort on the outskirts of Munich, and may still be in less than 30 minutes in the city center.
