4star****

40 guest rooms

Hotel Prinz is an ideal location for business trips or city sightseeing tours in Munich.

The hotel is near downtown but quietly situated high above the Isar with a view of the city center. In just a few minutes you can walk to one of the many public transportation options, or take a stroll on the footpaths into town. The Gasteig cultural center is across the street, and the world-famous Deutsches Museum (for science and technology lovers) is around the corner. A relaxing sojourn is just a stone's throw away, in the charming meadows along the Isar or in the traditional Nockherberg beer garden. The lively neighborhood of Haidhausen (some call it the French Quarter) has small shops and cozy cafés if you want to wile away some free time.
